Is God calling you to walk closer with Jesus?

Are you drawn to the Four Pillars of Dominican Spirituality:  
Prayer, Study, Community & Apostolate?

- ∞ The **Dominican Laity** are people of every occupation and interest, sharing a common bond of faith and a desire to manifest Christ’s love in the world today.
- ∞ The **Dominican Laity** are persons bringing the Word of God and message of salvation to the everyday events of modern life.
- ∞ The **Dominican Laity** are members of ‘chapters’ that meet for prayer and study, sharing events and issues relevant to the Church in contemporary society. They discuss and support each other in their call to ‘proclaim the truth’ in the secular world.

or other important commitments, including marriage.*

*God may still have plans to fulfill that desire!*
